

Charlotte Regional League, Event #1, PM Wave, 13's Division, Court 3

The 13's division will begin at 2:30 pm. As there are four teams in this division, these teams will participate in a four-team pool, with the winner being named the Gold Champion. All matches will be preceded by a 2-4-4 format (2 minutes shared warm-up, followed by 4 minutes of individual team court time). In the event of a two-way tie, the tie will be broken according to the head to head matchup. In the event of a three-way tie for first place, the teams will play off the tie after being seeded according to their set win percentage, followed by their points +/-, followed by a coin flip. The 2nd and 3rd seed will play a set to 15 that is officiated by the 1st seed. The winner will play the 1st seed in a set to 15, and the loser of the first match will officiate.
