

Andy is starting his second season with our CUVC family. Based out of the Indian Trail location, Andy brings over 8 years of volleyball coaching experience and deep love of the game with him to our program. A player himself, he has played for over 20 years both here in Charlotte and Virginia Beach.

During the day Andy works for Bank of America in Quality Assurance. When not at work or on the court, you can find Andy with his family (Jennifer, Delaney (CUVC player), Ian and Colin) either in the kitchen or cheering for the Cincinnati Bengals!
