

Chad has been coaching volleyball for 15 years. Starting with High School and club teams in Michigan, and then joined our staff at CUVC in 2010. He is starting his 9th season with the club, coaching teams from 14u to 18u. He has lead camps, clinics and lessons to train and develop individuals into the players that they want to become. He is very passionate about “making players better” each day.

Chad serves on the Board of Directors for Union Volleyball Foundation and is also one of our player/parent advocates for CUVC.
