

Born and raised in Pennsylvania, Judi graduated from Penn State University, where she played on various co-ed intramurals teams as well as on the PSU McKeesport campus women's team. After graduation, Judi moved to Miami, Florida where she continued to play in co-ed leagues on grass, the beach and indoors. She met her husband, John, there while playing. Their mutual love of volleyball drew them to each other, and has been a passion for them for over 20 years. She never considered coaching until John coaxed her into it when they moved to Concord, NC. Since then, she has served as John's assistant coach throughout numerous club seasons and at Covenant

Classical Middle School. She also was head coach at Concord First Assembly Middle School, where the team finished 3rd in their conference. Judi was also a clinician for a local VolleyKidz program, which taught the sport to children ages 5-10. Like John, Judi enjoys teaching young players the fundamental skills they need to progress.
