

## Morgan Hester

---

Morgan is a CUVC alum, who's 18 National Team won the Mid East Qualifier and made an appearance at USAV Nationals. We are excited to have her come back as a coach for our Concord Location this season!

Morgan was a three-year starter for Carson High School where she helped lead the Cougars to three conference championships, two state runner-up finishes, and an elite eight finish as an MVP and captain. She is currently in her Junior Season at Catawba College along with team mate and CUVC Alum Jade Brooks.
