

This is Chad's first season with CUVC and we are excited to have him join us this year as the Head Coach of our 16 Premier Team.

An Orlando, FL native, Chad played his college volleyball at Lees McRae College. After college Chad had the opportunity to play for Cariduros de Fajardo in Puerto Rico's A-1 league and Abiant Lycurgus in the Netherlands A-1 league. Chad has had multiple coaching stops along the way including California Baptist's Men's program, University of Florida's woman's program, and several club coaching roles all over the state of Florida. His

time at Florida under Head Coach Mary Wise was especially impactful: "During my time at UF, Mary Wise taught me everything about building strong confident female athletes who will become successful in the future. Character building was a huge part of our success during the '14 and '15 seasons."

Recently Chad made the decision to come to back to Charlotte to pursue a teaching career with CMS.
